Adult Group Lessons

This class is for golfers ages 18 years and up and is geared towards the beginning golfer. If you have never picked up a club and want to learn the game, this class is for you. Golfers who need to brush up on the basics of the game will also benefit from this class. The class will cover all aspects of the game of golf including information on rules and etiquette. Each session also includes valuable on course experience so that you may take what you have learned on the practice range and apply it on the golf course.

Class Syllabus:

Week One: Putting and Short Game

Week Two: Full Swing Part 1

Week Three: Full Swing Part 2 and On Course Play
