Addendum Questions

Question #1	Was any survey conducted in the concept phase?
Answer	No. Survey is expected to be part of this procurement.
Question #2	Is the City performing the acquisition of TCEs and ROW from the City on-call or does the City want the consultant to?
Answer	Acquisitions are not part of this procurement. The intent is to identify potential TE and PE needs.
Question #3	In RFQ Section V-E1A Team Qualifications it requests a project manager resume with three references. Is the City referring to three project or client references in this sentence?
Answer	These are projects the project manager has worked on as a project manager and three references that can attest to the qualifications of the project manager.
Question #4	Are PE license numbers sufficient to satisfy the requirements for Section II-C of the RFQ?
Answer	The intent of this section is to inform the proposer of the minimum mandatory qualifications. To that extent, we will accept a certification from the proposer that the team meets the mandatory minimum qualifications as required in the RFQ.
